BETH

(BLACK EQUITY THROUGH HOMEOWNERSHIP)

Why Black Homeownership?

- Creates stability for families
- The opportunity to build generational wealth
- Ability to pay off the mortgage and live rent-free in retirement
- Homeowners have more say in community development, including schools and voter recognition
- Unprecedented public and private resources available
- Confront policies of redlining and systematically racist policies that disadvantaged homeownership for people of color

**We want you to
join us to:**

**Organize Current Black
homeowners to demand a
Funding Stream that
supports home upgrades
and ensures safe livability
for the next generation**

**Organize around Public
Land to create thousands
of Homeownership
Opportunities**

**Organize
Neighbors to turn
Blight into Homes**

**Organize Black and native
Washintonians who are
aspiring homeowners in the
District**
